Join us!

Are you ready for the challenge?

Here is the opportunity
you have been waiting for!

Stephen Hoel and Amy Savage, Certified Masters and Global Training Partners of The Leadership Challenge®, invite you to join us in the beautiful weather of Orlando, Florida to discover how ordinary leaders get extraordinary things done in organizations.

Are the managers in your organization
living up to their potential?

Are they igniting fires within
constituents to engage everyone in
your organization's current and
future success?

Are the leaders in your organization
[and that means everyone] instilling
the confidence and optimism it
takes for inspired, productive efforts
to produce increasing business results?

Are you ready for a life-changing
experience?

Now is your chance to experience how exemplary leaders engage their constituents to accomplish extraordinary results in today's challenging circumstances by living *The Five Practices of Exemplary Leadership*®, described in James Kouzes and Barry Posner's bestselling book, *The Leadership Challenge*. Over 30 years of research clearly proves that leaders who engage in these five "practices" more frequently produce better results than those who use them less frequently. And you will see how the Leadership Practices Inventory® [LPI®] has become one of the most widely-used valid and reliable 360° assessments in the world today to obtain feedback, improve leadership behavior and achieve greater organizational effectiveness.

*And now, for the first time, you can experience The Leadership Challenge®
Workshop, Facilitator Training and LPI® Coach Training all in the same week!*
